

MICKEY CONRAD, AIA

PRINCIPAL IN CHARGE

BIO:

As a founding partner of the firm, Mickey has extensive experience as Principal in Charge for multiple building types. His more than 30 years of work includes some of the most significant buildings in San Antonio. His work includes religious facilities, higher education, K-12, libraries and other municipal and commercial projects. Mickey has authored many award-winning designs and actively practices sustainable design as evidenced by his own LEED Gold Registered residence.
